# Amsterdam Brachy College

**Makes your future happen**

## **TOGETHER IT IS POSSIBLE**

The Amsterdam Brachy College provides a general introduction to Brachytherapy. Brachytherapy plays an important role in the multidisciplinary approach of the treatment of cancer.

Are you a resident or junior staff member within Radiation Oncology and interested in what Brachytherapy has to offer? Then don't hesitate and register for this small group interactive 2-day course in Amsterdam!

Please visit [www.brachyacademy.com](http://www.brachyacademy.com) for more information.  
For registration please send an email to [amsterdambrachycollege@amc.nl](mailto:amsterdambrachycollege@amc.nl)
